

SOME REPORTS THAT INVESTORS AND ENTERPRISES MUST SUBMIT AT THE END OF THE YEAR

Submitting reports is a mandatory obligation that enterprises must perform in some cases according to each field. This is for the purpose of management of competent authorities. The enterprise delaying reporting will face some risks of being fined for administrative violations.

In case the enterprise submits an application to carry out administrative procedures, the management agency will force the enterprise to fulfill the obligation of reporting before the agency reviews the enterprise's application.

At the end of the year, enterprises need to pay attention to some reports that enterprises must submit as listed below.

1	Investment reports applied to foreign-invested enterprises operating in Vietnam
2	Reports on general employment situation
3	Report on the employment of foreign workers
4	Foreign loans
5	Reports for enterprises with a Trading License
6	Reports of enterprises providing labor outsourcing services
7	Reporting obligations of enterprises having registered e-commerce service provision websites
